Subject: FW: Superfund financial analysis contractor

Hi Mike,

Regarding your inquiry for an expert on Upper Animas, I recently fielded a similar request from David Sturn in the Montana office. See below for the response I got. In short, I recommend that you contact Brian Motto and explain your needs to him.

Let me know if I can do anything else to help.

Scott Wilder

Hi Scott,

Thanks for your question. The OSRE contract for financial analysis case support recently expired, and we are in consultations with management and the OARM contracting office – considering our projected extramural budget and available personnel – to determine next steps.

In the interim, you are welcome to contact me directly if you have a CERCLA case support need and I will work with you to see whether we might assist.

Hi Elisabeth and Brian,

Can you assist Scott with his question?

Thanks,

Caroline

Subject: Superfund financial analysis contractor

Hi Caroline,

Can you remind me who the current contractor for financial analysis support is? I recall that Industrial Economics no longer has the contract but can't remember who replaced them. Do you know if there is capacity on the contract for new work?

Thanks,

Scott Wilder
